

# Index to Volume 37

## Author Index

**Adler LW, Pulver AE**, Diagnosing schizophrenia (letter), June 636  
**Ahr PR**, see Holcomb WR  
**Akiskal HS**, see Davis GC  
**Alger I**, Caring for chronic and disturbed patients (audiovisual overview), Dec 1202-1203  
**Alger I**, Major mental health issues: schizophrenia, cocaine abuse (audiovisual overview), Sept 871-872  
**Alger I**, Schizophrenic patients, their families, and their friends (audiovisual overview), May 443-445  
**Allen JM**, Posttraumatic stress disorder among black Vietnam veterans, Jan 55-61  
**Allen JG**, Assessing outcome (reply), Dec 1267  
**Allen JG**, see Colson DB  
**Allen JG, Tarnoff G, Coyne L, Spohn HE, Buskirk JR, Keller MW**, An innovative approach to assessing outcome of long-term psychiatric hospitalization, Apr 376-380  
**Allison M, Hubbard RL, Ginzburg HM, Rachal JV**, Validation of a three-item measure of depressive and suicidal symptoms, July 738-740  
**Almond R**, The therapeutic milieu (letter), July 740  
**Alonso A**, Book review, The secret trauma: incest in the lives of girls and women (Russell DEH), Dec 1271  
**Altemus M**, see Schechter JO  
**Altshuler KZ**, see Waller DA  
**Amchin J, Polan HJ**, Longitudinal account of staff adaptation to AIDS patients on a psychiatric unit, Dec 1235-1238  
**Amisson TJ**, see Glatt KM  
**Andresen JJ**, Book review, The transfer of care: psychiatric deinstitutionalization and its aftermath (Brown P), Oct 1055-1056  
**Andrews S, Leavy A, DeChillo N, Frances A**, Patient-therapist mismatch: we would rather switch than fight, Sept 918-922  
**Annis LV, Baker CA**, A psychiatrist's murder in a mental hospital, May 505-506  
**Appelbaum PS**, Competence to be executed: another conundrum for mental health professionals (law & psychiatry), July 682-684  
**Appelbaum PS**, Confidentiality: winning for a change (law & psychiatry), Apr 334-335

**Appelbaum PS, DRGs and mental health law: a glimpse of the future (law & psychiatry)**, Oct 997-998  
**Appelbaum PS**, The rising tide of patients' rights advocacy, Jan 9-10  
**Aronson A**, Book review, Manual of psychiatric consultation and emergency care (Guggenheim FG, Weiner MF); Phenomenology and treatment of psychiatric emergencies (Comstock BS, Fann WE, Pokorny AD, Williams RL), May 516-517  
**Austad CS, Shapiro RS**, Treatment implications of the postdischarge contact, Aug 839-840  
**Bachrach LL**, Deinstitutionalization: what do the numbers mean? (the chronic patient), Feb 118-119, 121  
**Bachrach LL**, Dimensions of disability in the chronic mentally ill (the chronic patient), Oct 981-982  
**Bachrach LL**, The future of the state mental hospital, May 467-474  
**Bachrach LL**, Service delivery in Juneau (the chronic patient), July 669-670  
**Bachrach LL**, see Harris M  
**Bair JP, Greenspan BK**, TEAMs: teamwork training for interns, residents, and nurses, June 633-635  
**Baker CA**, see Annis LV  
**Baker FM**, Legal issues affecting the older patient (practical geriatrics), Nov 1091-1093  
**Baldwin LM**, see Keitner GI  
**Ban TA**, see Goldberg SC  
**Banks S**, see Becker R  
**Barron PM**, see Magruder-Habib K  
**Barsky AJ**, see Ellison JM  
**Bayer R**, Book review, Breaking points (Hinckley J, Hinckley JA, Sherrill E), Feb 187-188  
**Beau GJ Jr**, see Roth D  
**Beck JC, Staffin RD**, Patients' competency to give informed consent to medication, Apr 400-402  
**Becker R, Banks S**, A statistical method for determining suitability for community placement, Mar 261-264  
**Behar D**, see Vitiello B  
**Beigel A**, Planning psychiatry's future (economic grand rounds), June 551-554  
**Belkin M**, Second opinions (letter), May 511  
**Benavides E**, see Kroll J  
**Bender MG**, Young adult chronic patients: visibility and style of interaction in treatment, Mar 265-268  
**Benedek EP, Schetky DH**, The child as a witness, Dec 1225-1229  
**Bergman HC**, see Harris M  
**Bergman JF**, The asylum as refuge (letter), Dec 1265  
**Berke JH**, An alternative to hospitalization (idea), Mar 316  
**Bernheim KF**, Destigmatizing hospitalization (letter), Mar 292  
**Bernheim KF, Hodgdon EA**, Nurses as educators (letter), Dec 1266  
**Bertolucci DE**, see McCarrick AK  
**Binder RL**, see McCulloch LE  
**Bishop L**, Book review, Expressed emotion in families: its significance for mental illness (Leff J, Vaughn C), July 741-742  
**Blackman S, Simone RV, Thoms DR**, Treatment of gamblers (letter), Apr 404  
**Blaine JD**, Electroconvulsive therapy and cognitive function (psychopharmacology), Jan 15-16  
**Blank K**, Book review, Psychosocial basis of health care, third edition (Bowden CL, Burstein AG, eds), Feb 187  
**Blank K**, Book review, Treatment of affective disorders in the elderly (Shamolian CA, ed); Geriatric psychiatry: ethical and legal issues (Stanley B, ed); Alcohol and drug abuse in old age (Atkinson RM, ed), June 637-638  
**Blank K**, see Schwartz HI  
**Blazer DG**, Book review, Helping the elderly: the complementary roles of informal networks and formal systems (Litwak E), June 639-640  
**Bloom JD**, see Faulkner LR  
**Blum N**, see Ellison JM  
**Book J**, see Weintraub W  
**Bootsz RR**, see Hendryx M  
**Borenstein J**, see Reisberg B  
**Boris RA**, Community services? (letter), Sept 944  
**Bowers KS, LeBaron S**, Hypnosis and hypnotizability: implications for clinical intervention, May 457-467  
**Braddock D, Hemp R**, Governmental spending for mental retardation and developmental disabilities, 1977-1984, July 702-707  
**Braff J**, see Way BB  
**Bray JD**, see Faulkner LR  
**Brockbank R**, Book review, Psychoanalytic therapy and behavior therapy: is integration possible? (Arkowitz H, Messer SB, eds), May 514  
**Brower KJ, Hierholzer R, Maddahian E**, Recent trends in cocaine abuse in a VA psychiatric population, Dec 1229-1234  
**Brower RB**, Book review, Social and medical aspects of drug abuse (Serban G),

Apr 406-407

## Subject Index

### Achievement Awards

Applications invited for 1987 awards, Nov 1156

Building interpersonal and academic competence among troubled inner-city youths, City Lights, Washington, DC, Nov 1154-1156

Community-based group therapy for families coping with separation and divorce, Single-Parent Family Program, Western Monroe Mental Health Center, Rochester, New York, Nov 1153-1154

Gold Award: mental health treatment that transcends cultural barriers, Indochinese Psychiatric Clinic, Oregon Health Sciences University, Portland, Nov 1144-1147

Gold Award: a network of services for the homeless chronically ill, Skid Row Mental Health Service, Los Angeles County Department of Mental Health, Nov 1148-1151

Publicly funded private mental health care for severely ill patients without insurance, Medically Indigent Adults Program, Family Service Agency of San Francisco, Nov 1152-1153

### Acquired immune deficiency syndrome (AIDS)

Federal government intensifies its efforts in the mental health aspects of AIDS (NIMH report), Mar 219-221

Impact of AIDS (letter), Sept 943-944

Longitudinal account of staff adaptation to AIDS patients on a psychiatric unit, Dec 1235-1238

Neuropsychiatric manifestations of AIDS-spectrum disorders, Feb 135-142

Psychiatric interventions for AIDS-spectrum disorders, Oct 1001-1006

### Adolescents. See Child, adolescent psychiatry

### Affective disorders

Affective disorders and violence in adolescents, June 591-596

A clinical overview of syndromes following withdrawal of antidepressants (psychopharmacology), Sept 883-884

Delusional and nondelusional unipolar depression: further evidence for distinct subtypes, Nov 1157-1158

Descriptive, biological, and theoretical aspects of borderline personality disorder, July 685-692

Managing an acutely manic 17-year-old girl with neuroleptic malignant syndrome (treatment planning), Aug 771-772,788

A model for administration of electroconvulsive therapy (practical geriatrics), Aug 785-788

NIMH to launch major campaign on recognition and treatment of depression (NIMH report), Aug 779-780,788

Problems in diagnosing schizophrenia and affective disorders among blacks, Jan 61-65

A review of biofeedback for mental disorders, Jan 27-33

**A survey of psychiatrists' practices related to the use of tricyclic antidepressants, Dec 1247-1251**

**Treating a man with depression and chronic pain through a multimodal approach (treatment planning), Feb 115-116**

**Treating a young woman with a mix of affective and personality disorders (treatment planning), Apr 331-333**

**Treatment delays in the course of electroconvulsive therapy, Aug 825-827**

**Validation of a three-item measure of depressive and suicidal symptoms, July 738-740**

**Aftercare**  
Reconceptualizing assumptions about community mental health, July 708-712

**Alcohol abuse, treatment**  
Adult children of alcoholics (alcohol abuse), Mar 235-236

Aetna study shows costs of health care for alcoholics are lower after treatment, Feb 194

Age-related patterns of alcoholism among veterans in ambulatory care, Dec 1251-1255

Children of alcoholics (letter, reply), Sept 942

How to tell if alcoholism treatment has worked: assessing outcome studies (alcohol and drug abuse), June 555-556

Identifying alcoholism in medical patients, Apr 398-400

Three approaches to the treatment of drug addiction (alcohol and drug abuse), Nov 1083-1085

**Alzheimer's disease**  
Alzheimer's disease units (letter, reply), Aug 845

Congress backs support groups in Alzheimer's disease, Sept 953

Establishing Alzheimer's disease units in nursing homes: pros and cons (practical geriatrics), Feb 120-121

Medicare and Alzheimer's (letter, reply), Apr 403-404

Remediable behavioral symptomatology in Alzheimer's disease (practical geriatrics), Dec 1199-1201

**American Psychiatric Association.** Also see Achievement Awards, Hospital and Community Psychiatry Institute, Service APA medical director Melvin Sabshin receives Distinguished Service Award, others honored, July 750,753

Psychiatry leads specialties in proportion of women practitioners, APA survey shows, Nov 1167-1168

Robert Pasnau becomes 115th APA president; George Pollock is chosen president-elect, June 645

**Antidepressive agents**  
A survey of psychiatrists' practices related to the use of tricyclic antidepressants, Dec 1247-1251

**Anorexia nervosa.** See Eating disorders

**Anxiety disorders**  
A review of biofeedback for mental disorders, Jan 27-33

**Architecture, design**  
Program building wins state design award, Oct 1065

**Audiovisual overviews**  
Caring for chronic and disturbed patients, Dec 1202-1203

Major mental health issues: schizophrenia, cocaine abuse, Sept 871-872

Schizophrenic patients, their families, and their friends, May 443-445

**Behavior therapy**  
A review of biofeedback for mental disorders, Jan 27-33

**Brain trauma, damage**

**Calendar**  
Calendar of mental health activities, Jan 22-23, Feb 129-130, Mar 237-238, Apr 349-350, May 449-450, June 580-581, July 676,681, Aug 792-793, Sept 885,887, Oct 985,988, Nov 1094,1099, Dec 1219-1220

**Canada**  
An overview of the Canadian health care experience, Nov 1115-1118

**Case management.** See Patient care planning

**Child abuse**  
Adult children of alcoholics (alcohol abuse), Mar 235-236

AMA issues guidelines for diagnosis and treatment of child abuse and neglect, Jan 89-90

Child psychiatrists urge change in legal proceedings in child sexual abuse cases, Nov 1168,1173

**Child psychiatry, adolescent psychiatry**  
Adolescent drug abuse, June 596-607

Affective disorders and violence in adolescents, June 591-596

AMA issues guidelines for diagnosis and treatment of child abuse and neglect, Jan 89-90

Attention deficit disorder in adolescents, June 608-613

Building interpersonal and academic competence among troubled inner-city youths, Nov 1154-1156

The child as a witness, Dec 1225-1229

Development of self-concept in African-American children, Jan 66-70

800-Cocaine hotline finds polydrug use is increasing among adolescent callers, Feb 197,201

Etiology and treatment of borderline personality disorder in adolescents, June 613-618

No wet packs (letter), Sept 943

The optimal length of hospitalization of adolescents (commentary), June 545

**Proposed revisions in the childhood classification (DSM-III-R preview), Aug 789-790**

**Psychiatric services to adolescents:** 1970-1980, June 584-590

**Psychopathology in adolescence:** an introduction, June 583

Second opinions (letters, reply), May 510-512

Treating a severely disturbed self-destructive adolescent with cold wet sheet packs, Mar 287-288

**Chronic patients**  
AHA statement recognizes role of hospitals in care of nation's chronic mental patients, Aug 856-857

An anatomy of countertransference: staff reactions to difficult psychiatric hospital patients, Sept 923-928

Assessing the family environment of schizophrenic patients with multiple hospital admissions, Mar 249-252

Assessing support and stress in the social networks of chronic patients, Apr 370-372

The asylum as refuge (letter, reply), Dec 1265

The asylum snare (taking issue), May 433

Caring for chronic and disturbed patients (audiovisual overview), Dec 1202-1203

Caring for the mentally ill (letter), May 512

The challenge of chronic mental illness: a retrospective and prospective view, Sept 891-896

Changing community attitudes toward the chronic mentally ill through a psychosocial program, Feb 180-182

Chronic medical problems in the chronic mentally ill, Mar 289-291

Chronic mental patients in nursing homes: reexamining data from the national nursing home survey, Mar 269-272

Clinicians' assessments of the service needs of young adult patients in public mental health care, Sept 908-913

Community care (letter, reply), Feb 184-185

Continuous treatment teams in the care of the chronic mentally ill, Dec 1243-1247

Creating a balanced system of care (taking issue), Nov 1077

Deinstitutionalization: what do the numbers mean? (the chronic patient), Feb 118-119,121

Destigmatizing hospitalization (letter), Mar 292

Dimensions of disability in the chronic mentally ill (the chronic patient), Oct 981-982

A 49-year-old clinic for chronically ill somatizers, June 631-633

The future of the state mental hospital, May 467-474

Gold Award: a network of services for the homeless chronic mentally ill, Nov 1148-1151

How to ensure that the money follows the patient: a strategy for funding community services, Mar 256-260

In again, out again: preliminary evaluation of a state hospital's worst recidivists, Apr 386-390

Inpatient psychosocial treatment of chronic schizophrenia: negative effects and current guidelines, Sept 897-901

Johnson Foundation to award \$28 million in grants for services to chronic patients, Mar 302, 305

Long-term outcome of network therapy, Apr 373-376

Needed changes in law and procedure for the chronically mentally ill, May 475-480

Organizational analysis of three community support program models, June 624-629

Patient housing options as viewed by parents of the mentally ill, Dec 1238-1242

The process of staff change: grappling with the needs of the high-management patient, Oct 1047-1049

Profiles of difficult psychiatric hospital patients, July 720-724

A proposal for future funding of chronic and episodic mental illness, Nov 1126-1130

Psychiatric and nonpsychiatric indicators for rehospitalization in a chronic patient population, June 630-631

Public vs private hospitals (letter), Nov 1160-1161

The quality of life of chronic patients in a state hospital and in community residences, Sept 901-907

The Quarterway House: a two-year cost study of an experimental residential program, Nov 1136-1143

Recent developments in the care, treatment, and rehabilitation of the chronic mentally ill in Greece, Oct 1041-1044

A review of supportive psychotherapy, Nov 1105-1114

Service delivery in Juneau (the chronic patient), July 669-670

Small group work therapy for the chronic mentally ill, Mar 273-279

*Stensvad* reexamined (letter), Dec 1266

Successful Living: A social skills and problem-solving group for the chronic mentally ill, Sept 913-918

"Transduction" (letter, reply), Oct 1054

"Treating" a homeless mentally ill patient who cannot be managed in the shelter system (treatment planning), June 577-579

Treatment, care, and rehabilitation of the chronic mentally ill in the USSR, Mar 280-282

Use of symptoms by schizophrenics to monitor and regulate their illness, Sept 929-933

Wisconsin, Rhode Island, Colorado programs for seriously mentally ill rated nation's best, July 744, 749

Young adult chronic patients: visibility and style of interaction in treatment, Mar 265-268

**Cognitive therapy.** See *Psychotherapeutic techniques*

**Commitment, involuntary**  
American psychiatry's fundamental policy is to foster the patient's good, May 501-504

Consented-to treatment (letter, reply), Nov 1111

Highlights of the 37th Institute on Hospital and Community Psychiatry (special report), Jan 17-20

Inpatient stays before and after outpatient commitment, Sept 941-942

Involuntarily committed mental patients have right to refuse antipsychotics, NY court rules, Sept 955-956

Involuntary treatment (letter), Feb 184

Patients seek to join federal suit against Mass state hospital, May 525, 529

The policies and practices of American psychiatry are oppressive, May 497-501

Needed changes in law and procedure for the chronically mentally ill, May 475-480

The rising tide of patients' rights advocacy, Jan 9-10

*Stensvad* reexamined (letter), Dec 1266

**Community mental health centers**  
Cost-outcome analysis and service planning in a CMHC, July 697-701

Gold Award: mental health treatment that transcends cultural barriers, Nov 1144-1147

New registry profiles typical community mental health agency, Feb 194, 197

Onsite mental health care for the retarded (idea), Sept 972

Report shows staff increase in mental health facilities; private hospitals, CMHCs benefit, Mar 305

A study of postevaluation change in clinician and treatment dropout rates, Jan 76-77

Trends in CMHC services to elderly populations, Sept 937-939

How to tell if alcoholism treatment has worked: assessing outcome studies (alcohol and drug abuse), June 555-556  
A look at organic mental and substance use disorders (DSM-III-R preview), Oct 995-996  
Problems in diagnosing schizophrenia and affective disorders among blacks, Jan 61-65  
Proposed revisions in the childhood classifi-

cation (DSM-III-R preview), Aug 789-790

Racial and ethnic factors in psychiatric research, Jan 50-54  
Stress-response syndromes: a review of posttraumatic and adjustment disorders, Mar 241-249  
Suicide: a review of new directions in research, Feb 148-154

**Diagnosis-related groups (DRGs).** See Prospective payment

#### Disability evaluation

Social Security Administration resumes disability reviews after 21-month halt, Mar 301

#### DSM-III. See Diagnosis

**Dyskinesia, drug-induced.** See Movement disorders

#### Eating disorders

Food bingeing and esophageal perforation in anorexia nervosa, May 507-508

#### Economics of health care

Aetna study shows costs of health care for alcoholics are lower after treatment, Feb 194

Capital projects funding for psychiatric hospitals, 1972-1981, Apr 380-385

Consultation-liaison intervention in somatization disorder (economic grand rounds), Dec 1207-1210

Cost-outcome analysis and service planning in a CMHC, July 697-701

Dividing the mental health dollar: the ethics of managing scarce resources (ethics), July 671-672

GAO finds states in compliance with law requiring new services using set-aside funds, Feb 193-194

Governmental spending for mental retardation and developmental disabilities, 1977-1984, July 702-707

Highlights of the 37th Institute on Hospital and Community Psychiatry (special report), Jan 17-20

How to ensure that the money follows the patient: a strategy for funding community services, Mar 256-260

Institutional costs for mentally retarded reach plateau; per diem climbs while census drops, June 649

An overdose of peer review? (commentary), Feb 111

Planning psychiatry's future (economic grand rounds), June 551-554

Private hospitals expected to earn \$2.5 billion in 1985, Mar 302

The promise and pitfalls of purchase-of-service contracts (economic grand rounds), Sept 875-878

A proposal for future funding of chronic and episodic mental illness, Nov 1126-1130

The psychiatric short procedure unit: a cost-saving innovation (economic grand rounds), Mar 227-229

Publicly funded private mental health care

for severely ill patients without insurance, Nov 1152-1153

The Quarterway House: a two-year cost study of an experimental residential program, Nov 1136-1143

Reagan's 1987 budget calls for further cuts in ADAMHA programs hit by Gramm-Rudman, May 525

Report shows big increase in mental health expenditures, Apr 417-418

The sad state of Indian health (taking issue), Oct 977

Studies find Medicare DRGs not feasible for substance abuse, psychiatric disorders, May 519-520,525

Use of outpatient mental health services by a general population with health insurance coverage, Nov 1119-1125

#### Education, professional

Clinical psychology top area of specialization among psychologists, association census finds, Apr 418,421

Geriatric knowledge test (letter, reply), Apr 402-403

Managing violence (letter), May 512  
Replicating research (letter, reply), Aug 844-845

TEAMS: teamwork training for interns, residents, and nurses, June 633-635

Treating substance abusers: why therapists fail (taking issue), Aug 769

**Education, psychiatric.** See Interns, residents

#### Electroconvulsive therapy (ECT)

Electroconvulsive therapy and cognitive function (psychopharmacology), Jan 15-16

A model for administration of electroconvulsive therapy (practical geriatrics), Aug 785-788

Treatment delays in the course of electroconvulsive therapy, Aug 825-827

Using electroconvulsive therapy for patients with neurological disease, Aug 819-825

#### Emergency services

Effects of a weapon screening procedure in a psychiatric emergency room, Aug 837-838

Emergency room management of conversion disorders, Aug 828-832

Ethical issues for the admitting psychiatrist (ethics), Apr 339-340

The psychiatric short procedure unit: a cost-saving innovation (economic grand rounds), Mar 227-229

Repeat visitors in the psychiatric emergency service: a critical review of the data, Jan 37-41

A survey of homeless adults in urban emergency shelters, Mar 283-286

25-city survey finds major increases in hunger, homelessness, and poverty, Aug 855-856

#### Epidemiology

The epidemiology of mental illness in Afro-Americans, Jan 42-49

New perspectives on homelessness: findings from a statewide epidemiological study, July 712-719

#### Ethics

Competence to be executed: another conundrum for mental health professionals (law & psychiatry), July 682-684  
Confidentiality: winning for a change (law & psychiatry), Apr 334-335  
Conflict between patients' rights and patients' needs: an organizational systems problem (ethics), Nov 1086-1088  
Dividing the mental health dollar: the ethics of managing scarce resources (ethics), July 671-672  
Ethical issues for the admitting psychiatrist (ethics), Apr 339-340  
Ethical issues in computerized mental health data systems (ethics), Jan 11-12, 16

#### Etiology

Descriptive, biological, and theoretical aspects of borderline personality disorder, July 685-692  
Etiology and treatment of borderline personality disorder in adolescents, June 613-618  
Problems in diagnosing schizophrenia and affective disorders among blacks, Jan 61-65

#### Family

Assessing the family environment of schizophrenic patients with multiple hospital admissions, Mar 249-252  
Children of alcoholics (letter, reply), Sept 942  
Community-based group therapy for families coping with separation and divorce, New York, Nov 1153-1154  
Congress backs support groups in Alzheimer's disease, Sept 953  
Families as advocates (letter, reply), Oct 1051-1054  
Families of schizophrenics: a movement in jeopardy, Apr 353-357  
Patient housing options as viewed by parents of the mentally ill, Dec 1238-1242  
Rapidly growing NAMI becomes influential advocate for mentally ill, Jan 88-89  
Schizophrenic patients, their families, and their friends (audiovisual overview), May 443-445  
A survey of the California Alliance for the Mentally Ill, Mar 253-256  
Workshops for families of the mentally ill (idea), Mar 316

#### Family therapy

Long-term outcome of network therapy, Apr 373-376  
Second opinions (letters, reply), May 510-512

#### Foreign medical graduates (FMGs)

Graduates of foreign medical schools in American psychiatry, Oct 1021-1024  
Recruitment of public psychiatrists: the impact of university and state collaboration on FMGs in Maryland, Oct 1017-1021

Forensic psychiatry. Also see Legislation and jurisprudence

The child as a witness, Dec 1225-1229  
Competence to be executed: another conundrum for mental health professionals (law & psychiatry), July 682-684  
Constitution prohibits execution of insane inmates by states, Supreme Court declares, Oct 1064, 1066  
Panel recommends comprehensive program for victims of violent crime (NIMH report), May 437-438, 445  
A study of offenses committed by psychotic inmates in a county jail, Feb 163-166

#### Geriatrics

Alzheimer's disease units (letter, reply), Aug 845  
Establishing Alzheimer's disease units in nursing homes: pros and cons (practical geriatrics), Feb 120-121  
Geriatric knowledge test (letter, reply), Apr 402-403  
Legal issues affecting the older patient (practical geriatrics), Nov 1091-1093  
A model for administration of electroconvulsive therapy (practical geriatrics), Aug 785-788  
The myth of the aged as asexual: countertransference issues in therapy (practical geriatrics), Apr 345-346  
Remediated behavioral symptomatology in Alzheimer's disease (practical geriatrics), Dec 1199-1201  
Trends in CMHC services to elderly populations, Sept 937-939

#### Greece

Recent developments in the care, treatment, and rehabilitation of the chronic mentally ill in Greece, Oct 1041-1044

#### Grief
